Case No. 2:23-cv-0478-CDS-EJY

**STIPULATION AND [PROPOSED]
ORDER TO EXTEND DISCOVERY**

(Third Request)

Pursuant to Local Rules IA 6-1 and 26-3, IT IS HEREBY STIPULATED AND AGREED
by and among: (1) Chelsea Roberts, individually, and as heir of deceased GED, as the parent and
legal guardian on behalf of GED, and as the parent and legal guardian of JED, individually and as
heir of Michael Durmeier (hereinafter collectively "Roberts Plaintiffs"); (2) Josh Myers, as parent
and legal guardian on behalf of EKS ("Myers Plaintiff"; collectively with Roberts Plaintiffs,
"Plaintiffs"); (3) Deputy Breanna Nelson, Lieutenant Alan W. Schrimpf, and Detectives Brooke
Gentry and Daniel Fischer (collectively, the "Individual Defendants"); and (4) Nye County
(collectively, the "Parties") that the current discovery deadlines be extended by sixty (60) days in

1 the above referenced matter. This is the third stipulation to extend discovery deadlines.

2 **I. BACKGROUND**

3 This case is complex and involves extensive causes of action asserted in two controlling
4 pleadings, which arise under 42 U.S.C. § 1983 and state tort law claims, and names four plaintiffs
5 and five defendants. In this combined action, the Roberts and Myers Plaintiffs bring numerous
6 federal and state claims against Nye County and the Individual Defendants pertaining to a vehicular
7 accident that occurred on March 27, 2021. Plaintiffs assert that, prior to the subject accident, various
8 law enforcement personnel responded to a public disturbance call involving Tyler Kennedy. The
9 responding officers investigated the call and subsequently released Kennedy. Approximately 90
10 minutes after his release, Kennedy – purportedly being under the influence of illegal substances –
11 recklessly attempted to pass another vehicle, crossed the center line, and collided with the subject
12 vehicle, causing the subject incident and resulting in the death of three passengers.

IV. REASONS FOR NOT COMPLETING DISCOVERY

Pursuant to LR IA 6-1 and LR 26-3, the parties represent that good cause exists for the extension of the deadline for discovery, deadlines for expert disclosures, and deadlines for dispositive motions and the joint pre-trial order. As shown above by the extensive amount of discovery completed to date, the parties have been working and continue to work diligently to complete all necessary discovery. However, this case is extraordinarily complex and involves multiple parties and extensive claims. To date, the depositions of the Individual Defendants have been completed, as well as several additional depositions, and the Parties have been working to schedule all remaining depositions with everyone's schedules. Extensive written discovery requests

have been propounded, and Nye County has produced over 20,000 pages of documents, in addition to extensive videos. Further, the factual and legal issues in this case span different areas requiring the retention of a multitude of experts. The Parties have agreed to this extension to allow additional depositions and written discovery to take place prior to the initial expert disclosure deadline and to avoid potential necessity for supplemental expert disclosures.

The parties have acted in good faith in discovery to date and have no intent nor reason to delay the resolution of this matter. A 60-day extension of the applicable deadlines should allow the parties to finish all discovery.
